SUBJECT:

Galley of SSCI Report on FOIA Bill, S. 1324

1. Attached for your review is the galley of the SSCI Committee Report on our FOIA bill. Vicki Toensing, Chief Counsel of the Committee, has informed me that she is only looking for horrendous typos or language which could later pose litigation problems. She has requested that I notify her of our comments on Monday, 7 November. I realize this will mean weekend reading for all of us, but the report must be finalized and polled out before the bill can be sent to the Senate floor. Therefore, please let me know if you find any changes along the above lines no later than noon on Monday.

2. Many thanks for your help.
